

Technical Features

Night & Day automatic diffuser, compatible with 250/300ml universal canisters.

Dual action: Insecticide & Deodorizer.

Instructions for use

Timer Configuration:

Select one of the three settings (7.5 / 15 / 30 minutes) to set the desired spray interval. OFF: power off button. Replace the canister only when the device is turned off.

Operation Mode Settings:

24H: the diffuser will operate continuously for 24 hours.

NIGHT: the diffuser will operate only in dark conditions.

DAY: the diffuser will operate only in bright conditions.

LED Indicators:

Flashing green LED: the diffuser is operating correctly.

Flashing blue LED: the canister is empty and needs replacement.

Flashing red LED: the batteries need to be replaced.

The device operates with 2 AA alkaline batteries.
