

## Features

DeoDue+ Professional Air Freshener offers a sensory experience that promotes well-being and harmony, enriching the environment with fragrances designed to positively influence mood. It is a two-phase air freshener, composed of a fixative phase and a fragrance phase that work together to neutralize unpleasant odours and ensure a long-lasting and persistent scent. Ideal for all types of environments.

## Instruction for use and dosage

Shake well before use. Spray on carpets, doormats, and hidden corners from a distance of at least 50 cm. Do not spray on plastic or lacquered surfaces, into the air, on skin, animals, or clothing. For delicate materials, test first on a hidden area.

## Warnings

Avoid direct inhalation and contact with eyes or skin. Do not ingest. Read the label carefully and follow the instructions. Do not spray on painted or polished surfaces, near food, drinks, or feed, or on surfaces in direct contact with them. Store in a cool, dry place away from heat, sunlight and impacts. Keep out of reach of children and animals. Dis-pose the container according to local regulations.
